PERSONAL STATEMENT

Passionate. Collaborative. Flexible. Compassionate. With a dedication for involving students in their learning and helping them understand the whys and hows of the world, I approach education with inquiry to promote student agency and involvement. I consider myself a voice for students who have not found theirs yet and want to see all students achieve their potential. Widely experienced with English as an Additional Language learners, educational technology, leadership, presenting and community building.

TEACHING EXPERIENCE

Stamford American International School Grade 2 Classroom Teacher	Singapore	July '16—present
• Teaching an inquiry based Primary Years Program alongside AERO standards to a multinational classroom with differentiated content to support the needs of all students. • Building expertise with Investigations Math, Teachers College Reading and Writing Workshop. • Collaborating with the Student Support Department to provide intervention for my students. • Planning across grade levels and divisions to share resources for EAL specific classrooms. • Training Teaching Assistants in how to effectively work with EAL students. • Providing support to specialist teachers (PE, Music, Drama) in teaching EAL students.		
Substitute Teacher, NSW Public Schools Sydney, NSW Kindergarten—Grade 6		Jan' 16—June '16
• Taught students from Kindergarten to Year 6 the NSW curriculum and syllabus. • Supervised and provided feedback of student teachers.		
Methodist Ladies College Grade 5 Classroom Teacher	Sydney, NSW	Oct' 15—Dec '15
• Taught the NSW curriculum and syllabus, including philosophy of religion and debate. • Collaboratively planned and integrated units, utilizing backward design practices • Worked alongside STEAM teachers to teach engineering skills to students.		
Trinity Grammar School Substitute Teacher—Junior School	Sydney, NSW Australia	Aug' 15—Oct' 15
• Taught the NSW curriculum and syllabus to students from Year 2 to Year 6.		
Lycée Condorcet—The International French School of Sydney Primary English Coordinator		Aug' 10—June '15
• Coordinated and led Primary English meetings. • Facilitated communication between the French, English, primary and secondary departments. • Coordinated the organization of students into English classes. • Evaluated new arrival and arranged class placements. • Organized and administered distribution of English reports.		
Primary English Teacher (Years K-6)	Maroubra, NSW Australia	Aug' 09—June '15
• Taught students (60% EAL population) from Kindergarten to Year six the NSW Language Arts and Human Society and Its Environment (HSIE) curriculum. • Team-taught the French mathematics curriculum in a bilingual CLIL program.
